

FAMILY MEDICINE OPPORTUNITY

West Orange Physicians Group a part of Orlando Health and Health Central Hospital is seeking board certified/board eligible Family Medicine physicians to join an established hospital-employed multi-specialty group. Multiple opportunities available to meet the demands of the fast growing community in West Orange county. Join an established practice or depending on experience, start a new practice.

Ideal candidates will demonstrate:

- Knowledge of electronic medical records
- Desire to build a solid patient base
- Focus on Patient First and satisfaction

Community Information:

Located in the heart of Central Florida; one of the fastest growing areas in the U.S. No state income tax, excellent public and private schools and universities; city amenities; close proximity to beautiful beaches; year-round outdoor activities; and international airport. Fantastic location that allows you to enjoy all areas of Central Florida; major sporting events such as professional basketball, soccer and hockey; exciting nightlife; theme parks; major shopping; and some of Florida's best golf courses.

Hospital Information:

Located approximately 12 miles west of downtown Orlando, Health Central Hospital is a 440,000 square-foot, 171-bed acute care hospital and medical office complex. Health Central boasts a 34 bed ED with Fast Track, full service laboratory, state-of-the-art imaging, rehabilitation services, urgent care center, wound healing center, and a complete surgical center including seven operating rooms. Other notable programs include "Intensivist" staffed critical care units, Level 1 cardiac program, accredited Stroke and Chest Pain units, and an affiliated full-service community cancer center.

Comp and Benefits:

- Competitive salary with bonus structure
- Paid days off and CME days
- 403b retirement plan
- Health insurance for physician and family
- Malpractice coverage
