

HOSPITALIST OPPORTUNITY

Health Central Hospital, a part of Orlando Health, is seeking a board certified/eligible Family Medicine or Internal Medicine physician for a hospital employed inpatient opportunity. The provider will join a newly formed program which oversees observation patients and the Chest Pain unit in the hospital.

- Ideal candidate works well with nurses and mid-levels and views themselves as a team player.
- Focus on quality care and patient satisfaction.
- Competitive salary and comprehensive benefits package including Life, Medical, Dental, Vision, LTD, STD, and 403B.

Hospital Information:

Located approximately 12 miles west of downtown Orlando, Health Central Hospital is a 440,000 square-foot, 171-bed acute care hospital and medical office complex.

- \$25 Million renovation and expansion underway for 64 bed ED and 4 story bed tower with specialized care units.
- Intensivist staffed Critical Care unit, Chest Pain Unit, STEMI program, and Primary Stroke Program.
- Affiliated Level One Trauma Center and community cancer center.
- Full service laboratory, state-of-the-art imaging, rehabilitation services, urgent care center, and wound healing center and a complete surgical center including seven operating rooms.

Community Information:

Located in the heart of Central Florida, one of the fastest growing areas in the U.S. No state income tax, excellent public and private schools; city amenities; close proximity to beautiful beaches; year-round outdoor activities; and international airport. Fantastic location that allows you to enjoy all areas of Central Florida; major sporting events such as professional basketball, soccer and hockey; exciting nightlife; theme parks; major shopping; and some of Florida's best golf courses.
