About Express Care:

Express Care is an urgent care center owned and operated by Health Central Hospital that provides non emergent care to children and adults in the local community.

Express Care is opening a second location in West Orange County to meet the needs of a fast growing population.

Community Information:

Located in the heart of Central Florida, one of the fastest growing areas in the U.S., West Orange County boasts a variety of distinct identities, each of which make the area a unique place to live, work and vacation. West Orange County offers gated communities, homes on traditional streets, historic buildings, downtowns and new town centers. Excellent public and private schools, city amenities, parks and trails, beautiful lakes, close proximity to east and west coast beaches, and year-round outdoor activities. Enjoy major sporting events such as professional basketball, soccer and hockey; theme parks; luxury shopping; and some of Florida's best golf courses.
